As it is well known time plays a valuable role at an airport for passengers and flight crews. By sponsoring the airport clocks passengers always will have an eye on "your" time. Altogether 12 highly frequented locations with double-sided clocks will be available at the Berlin Brandenburg Airport.

- Level 1: 4 Locations (Check-in area)
- Level 0: 4 Locations (Arrival area)
- Level 0: 4 Locations (Major road arrival)

Within the framework of guidelines the customer may freely create the design of the clocks.
